Finishing Spray

Fast drying for superb hair sculpting versatility, with shine and all day hold

8 FL OZ (237 ML)

An outstanding workable spray in a non-aerosol pump. A special blend of resins provides all-day hold with a more flexible feel. Brushes out easily to eliminate breakage. Fast drying for superb hair sculpting and styling versatility with unmatched shine. Peptides and natural plant proteins condition with each application. Daily use helps prevent damage caused by environmental stress. Natural extracts moisturize, control static and resist humidity. Color remains vibrant, and hair appears young and healthy.

DIRECTIONS: As a styling spray, spritz lightly and work through using your favorite styling technique. For finishing, hold container 10 to 12 inches from hair and spray after desired look is achieved. Reapply as needed.
