Mediterranean Oil

...ease the curls
smooth the frizz...
..revitalize dull hair..

4 FL OZ (118 ML)

An exotic blend of Maracuja, Brazil Nut, and Buriti oils used for centuries to treat and condition hair. These lightweight oils add shine and leave hair with a lustrously-smooth finish. Product works as a catalyst to deliver heat into the cortex of the hair shaft while protecting the cuticle. This innovative technology smoothes the cuticle by attaching amino acids to the hair structure. Drying time is dramatically reduced.

Directions: Apply to damp hair prior to styling. Use in small amounts to add glass-like shine to finished styles.
