Shaping Spray

*A dry workable spray
providing medium hold,
tremendous shine,
promotes healthy hair*

NET WT 10 OZ 284 G

SDS-CA-2680

Developed as a dry, workable spray that provides medium hold and tremendous shine. Product never flakes and leaves hair brushable for restyling. Peptides and natural plant proteins condition with each application. Daily use helps prevent damage caused by environmental stress. Natural extracts moisturize, control static and resist humidity. Color remains vibrant, and hair appears young and healthy.

DIRECTIONS: As a styling spray, spritz lightly and work through using your favorite styling technique.

To add volume, lift hair and spray at root area in short bursts or use with a blow-dryer for added body.

For finishing, hold container 10 to 12 inches from hair and spray after desired look is achieved. Reapply as needed.
