Now you can choose when to go straight and when to go curly with this smoothing glaze that temporarily relaxes curls and waves leaving hair soft and shiny. Designed to straighten, reduce frizz and protect hair from heat, this non-drying formula is safe to use everyday. A natural blend of Matricaria, Kiwi, and Henna Extracts condition the hair while Vitamins A and E are added to soothe and protect. Wheat Protein and Panthenol build body, moisturize and condition all while smoothing and thickening the hair. Use with a blow dryer for optimum curl control and added manageability.
