A truly unique leave-in treatment that actually retexturizes hair like never before. Inhibits breakage allowing hair to appear longer, more even and healthy. Gives hair abundant volume and natural shine. All hair types will benefit from the fortifying levels of Whole Wheat Protein, Panthenol and botanicals—even double processed hair will look and feel healthier and become more manageable. Infuses each hair shaft with Aloe Vera, Honey, Lecithin, Spirulina and Vitamins A, D, and E. Leaves hair soft, tangle-free and ready for styling. Contains sunscreens. pH balanced.

DIRECTIONS: Shampoo and condition as normal. Can also be used on dry hair between shampoos for a freshly washed look. Before styling, squeeze a dime sized amount onto palm.
